PROJECT EXPERIENCE

OutfitCheck – A Django-based web app that enables users to upload outfit photos and receive AI-powered ratings, personalized styling feedback, and fashion recommendations.

Blox – A modern diary-style blog platform built with Django, featuring responsive design, CRUD functionality, and theme switching for an engaging writing experience.

WeesFit – A fitness tracking platform with features such as BMI calculator, weight logging, daily routine monitoring, and personalized goal setting for health management.

INTERNSHIP

Community Internship – Health Awareness & Education May, 2022 – June, 2025

- Supported community health initiatives by educating individuals on preventive care, hygiene practices, and lifestyle management.
- Collected feedback and observations to assess awareness levels and improve future programs.
- Worked closely with volunteers to ensure effective communication and outreach.
- Strengthened interpersonal skills and gained real-world exposure to public health challenges.

ACADEMICS

Bachelor of Technology,

CSE, Aditya Institute of Technology and Management, Tekkali. 2027

Technical Skills

Programming: Python, Java, C, C++

Development: HTML, CSS, JavaScript

Backend & Frameworks: Django

Database: MySQL

AI/ML & Data: Machine Learning fundamentals, model integration (CLIP, DeepFashion)

CERTIFICATIONS

Artificial Intelligence (SmartED) (2025)

Programming in JAVA (NPTEL) (2026)

Certified Information

CO-CURRICULAR ACTIVITIES

- Participated in technical events like Piston cup and Code Fiesta held at Vignan college
- Completed a Course on Artificial Intelligence provided by SmartED.
- Participated in 48 hour Hackathon conducted in our college
- Participated in Data Analysis using python & Web Development using Django Organised by APSSDC

EXTRA CURRICULAR ACTIVITIES

- Actively involved in daily placement preparation through DSA, ML, and OOP practice.
- Volunteered in community health awareness and education programs.
- Built and explored personal technical projects using Django and Machine Learning.
- Regularly engaged in gym workouts and boxing training to maintain discipline and fitness.

PERSONAL SKILLS

Hard Working

Optimistic

LANGUAGES

English: Fluent

Hindi: Intermediate
